Arutram Taking A Long Break.

We are including this information, because we know a lot of 60+ from San Nicolas loves to go to town and take a nice long ride on the Tram in town, it's a great way to relax your mind, However starting today December 7th up until the 5th of January 2021, the Tran will not be functioning seeing that their main objective was the cruise ship visitors, but there will not be any ships for a while so they have decided to take a break.

Baby Beach Project Will Continue.

The San Nicolas Baby Beach project will continue in the mist of all the crazy times we are in. What will be added? They will have new landscaping, New restaurants, male & female public bathrooms, tennis area, and much much more. This is a much needed facelift that San Nicolas needed, now lets hope this is just not a 2021 election stunt.

Sinterklaas Surprises San Nicolas Kids.

San Nicolas kids got a big surprise Saturday afternoon, when they saw some UTV's honking and driving around, to their surprise it was Sinterklaas and his Piets, While all this controversy is going on about the Piets, people are just sitting on the side complaining, but no one making the effort. Kids need to be kids, why can you enjoy when you were a kid, but now want to stop this for your kids? We added color to the Piets faces, where face mask, and showed this kids so much love, and it was giving back to us. the quote that stuck in our heads was from a little girl" **Thanks we always think Sinterklaas & Piet does only visit rich people**" People we are focussing on the WRONG things
